VIKAS SINGH

CHEMICAL ENGINEER

DETAILS

9702391617

• Ghatkopar, Mumbai 400086

vikas05111999@gmail.com

https://www.linkedin.com/in/vikas-singh-43797a189

FIELDS OF INTEREST

- Heat Transfer
- Process Control
- Chemical Engineering Economics

SKILLS

Aspen Plus

Scilab

AutCAD

Microsoft Office

HOBBIES/INTERESTS

- Stock Market Analysis
- Crypto Market Analysis
- Playing video games

PROFILE

Chemical engineering graduate passionate about the role of process engineering. Highly- capable leader, having led multiple academic projects to completion. Well-versed with various software like Aspen, Scilab and AutoCAD. Have Qualified GATE 2022.

EDUCATION

Bachelor of Engineering in Chemical Engineering

2018- present

Thadomal Shahani Engineering College Current average CGPA is 9.41

HSC

Ramniranjan Jhunjhunwala College Passed with 80.77% 2017

SSC

Little Flower English High School Passed with 87.80%

2015

INTERNSHIP

Institutional Intern, Thadomal Shahani Engineering College

3 June 2019- 6 July 2019

- Gained knowledge about the design of heat exchanger.
- Learned about Buss loop reactor.
- Created a poster on various types of valves used in industry.

ACADEMIC PROJECTS

Comparative Study Between Rankine Cycle and Brayton Power Plant Cycle

- Managed a team of 8 members.
- Compared the construction and working of Steam Rankine Cycle and supercritical carbon dioxide Brayton cycle.
- Discussed about current research going on these both cycle.

Adsorption of Textile Industry Dye using Natural Adsorbent

- Created a lab scale project to treat the wastewater effluents from the textile industry using natural adsorbent.
- Generated the results based on two parameters i.e. effect of time duration keeping adsorbent dose constant and effect of adsorbent dose keeping time duration constant

COURSES

Aspen Plus V11 Masterclass from Udemy

EXTRA-CURRICULAR ACTIVITIES & ACHIEVEMENTS

- Scored 503 GATE score in Gate 2022 with AIR 673
- Participated in Chem-Triathon
- Participated in Vortex 8.0
- Participated in ChEmergence 21
